Heads up that we had some issues with the conference line this morning.  
 I hope that is cleared up now, we'll see.  
 Thanks for the coordinates.

Carolyn

I have attached the Draft Survey Data for the Former Amphenol Facility Study Area. The surveyor's provided the information in both pdf and word version, but not excel version. Please let me know if this is sufficient or if you need us to convert the information into an excel spreadsheet. Please contact me with questions or if you need anything else.

Sincerely,

**Subject:** double-checking re coordinates

The contractor used the NAD83 Indiana State Plane, East Zone, Feet (IN83-EF) coordinate system, right?

And data will be submitted in Excel?

Thanks.
